JDW, 5/14/75

In haste reur 5/10, here yesterday:

I did send you a copy of the draft of the NYU speech. It was part of a large envelope that, as I recall, I also reinforced with Scotch or magic tape.

It has not been returns and my return-address was also on the envelope, as always.

Re coming UCLA nuthatching: I'd appreciate every scrap, no matter how seemingly insignificant. Sorry I didn't make enough copies of my letter to Freed.

The program does not include either Lowenstein or Joling, as KPFA stories report.

I'll be surprised if Lowenstein agreed to appear with that gathering of the most irrational.

I'm wothout satisfactory explanation of any reporting of which I know of the Gonzalez affidavit filed in court in the Meier case. It is immune and its contents could not be more topical.

Nor any of the very many names.

Best,

I'll send another copy of the speech
